

Remarks

The Office has indicated that the amendment filed on March 18, 2005 is non-compliant because it has failed to meet the requirements of 37 CFR 1.121. Claims 1, 7, 10, 11, 12, 14-15, 22-23, and 25 were noted as being "amended" and have now been corrected to be "currently amended."

Applicant believes that the objection related to non-compliance is now overcome and all claims are in proper form for allowance. The Examiner's attention is directed to "Remarks" section of the amendment as filed on March 18, 2005. Early favorable action is earnestly solicited. The Examiner is invited to call the undersigned attorney if that would be helpful in facilitating resolution of any issues which might remain.

Applicant believes that no fees are due; however, if any fees are due please debit Deposit Account 10-0270 and inform the undersigned.

Respectfully submitted,
